

ACE MENTOR PROGRAM
ARCHITECTURE • CONSTRUCTION • ENGINEERING

CHARLOTTE, NC

ENGAGE. EXCITE. ENLIGHTEN.

The ACE Mentor Program is open to any high school student who has the curiosity and drive to learn about a career in design and construction - from contracting and engineering to architecture and landscaping.

LED BY MENTORS - DRIVEN BY YOU.

As a participant, you'll join a team of other students led by adult mentors who are practicing industry professionals. ACE isn't about merely describing specific professions, it's about immersing you in the profession by engaging you in actual building projects. These can range from new schools and community revitalization projects to skyscrapers or even competing in national competitions!
